Wasn't interested in any of the programs

had trouble getting my feet on the ground at Carleton

COVID-19 made me want to spend more time on campus

Conflict with non-athletic extracurriculars

I am already abroad

Didn't apply due to covid

The two trips I applied for ended up getting canceled

I didn't see this as my one chance to go or live abroad and I really did not want to miss a term at Carleton

chronic medical condition, not wanting to leave country

Double major and didn't want my terms at Carleton to be overwhelming

Cancelled due to COVID-19

I'm planning on participating in one in the future.

I have DACA so I cannot leave the U.S.

Mental health concerns

Covid-19

No reason to

So few options for political science

The default is inaction rather than action. I had no reason to do it, and therefore don't need any reason not to.

I would rather take courses at Carleton. During breaks, I wish to be with family.

freshman

There was nothing interesting + I'm an international student so I'm already studying abroad.

The format of college OCS wouldn't necessarily match what I would look for in time spent in another country. I want to spend time outside the U. S., but I think doing so on my own terms after college would allow me to get the most out of it and hopefully do it in a sustainable way.

I'm kind of already abroad

Program cancelled

Others

I'm a transfer student and my time on campus at Carleton is already very limited.

Very few science programs, out of the Carleton programs, there isn't a subject that I love enough to devote an entire term to

Timing of OCS programs conflicts, hard to find OCS programs that interest me

I am a First Year and wanted to stay on campus for the first year of college

Denied Acceptance

Course interests not represented

Did not find one that fit my major properly

Mental Health reasons

Coronavirus

I didn't find options that fit what I wanted to learn about

Ones interesting to me didn't fit my course schedule

The Australia program got canceled

Cancelled b/c of COVID-19

Coronavirus

Cancelled due to covid

Did not want to take a term off at Carleton, Winter Break trip cancelled

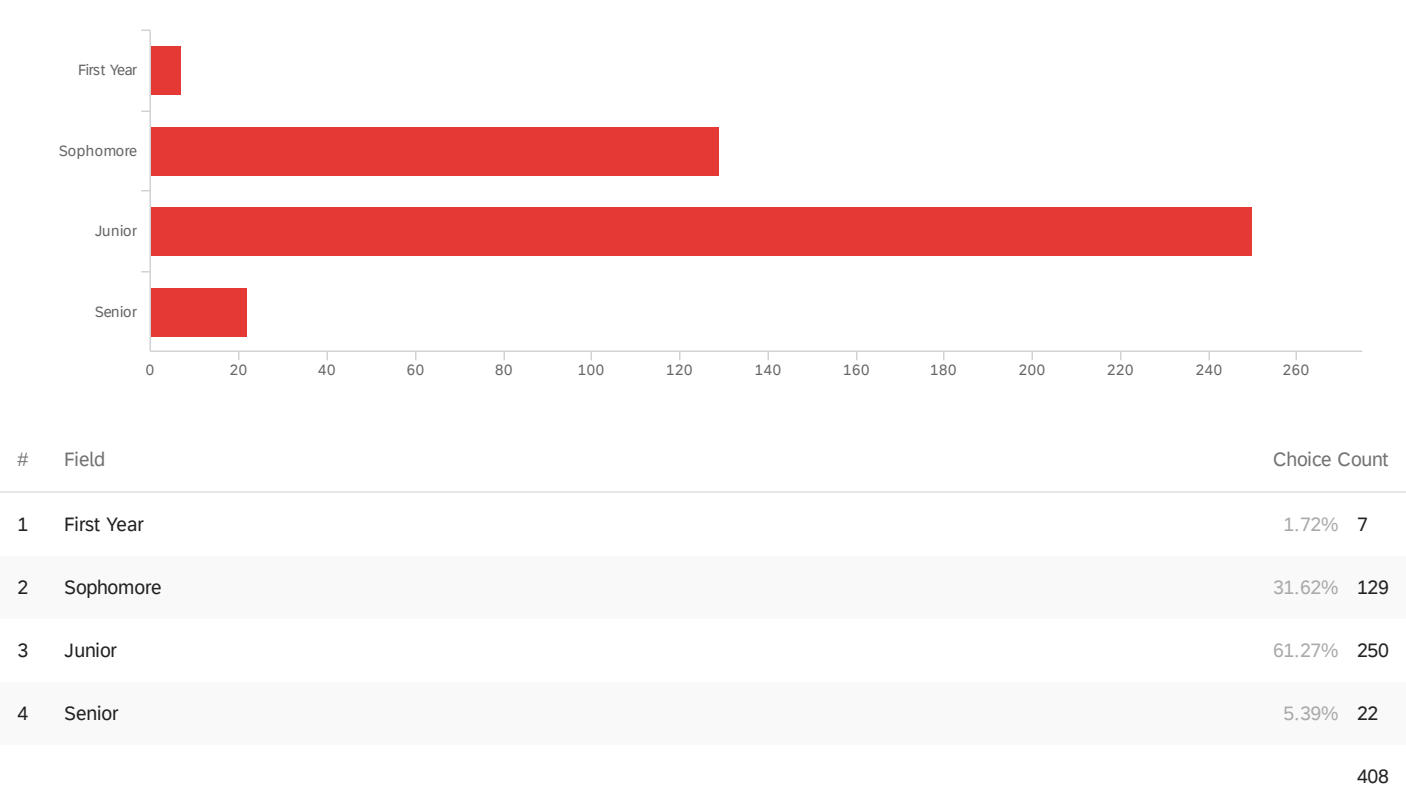

First-year student

I valued being on campus, and didn't find any programs that I was really excited about

uncertainty surrounding COVID-19

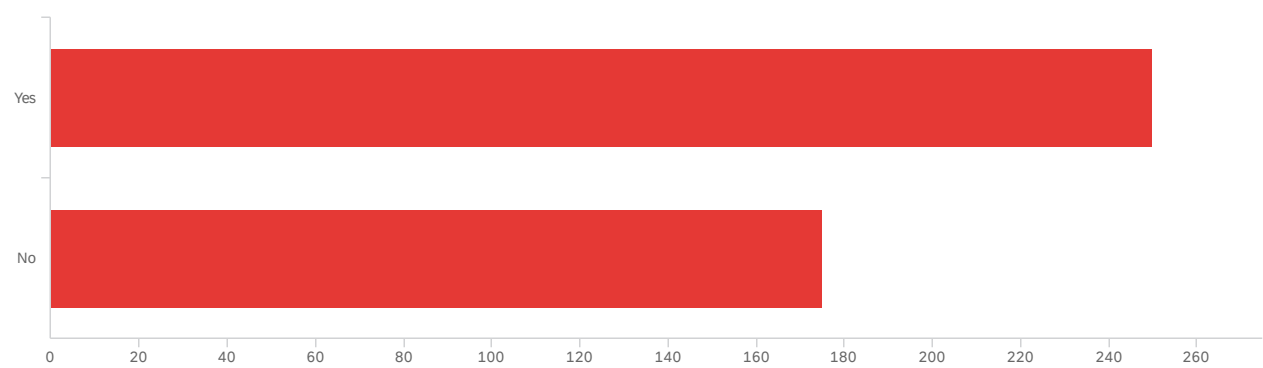

It was cancelled
